I certify that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from 3 Reviewers and the Assistant Editor of the WSEAS Journal: WSEAS transactions of ICMTE '20 (6th International Conference on Mechanical and Transportation Engineering).

for my paper: Improving Sustainable Mobility through Modal Rewarding: the GOOD_GO Smart Platform (ID: 77810-100)

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from 3 reviewers that they were experts, specialist in the area of my paper.

Please, write additional comments below (take ideas from:

On behalf of my co-authors, I thank the anonymous reviewers for their careful reading of our paper and their many insightful comments and suggestions.

We are also providing a revised manuscript that reflects their suggestions and comments. We feel that this has resulted in a stronger final version. All we hope to continue working with WSEAS and sending any paper of our research team for publication in the future.

Personally, I have already published some articles in WSEAS journals. Therefore, I take this opportunity to thank all the members of the editorial staff of the WSEAS organization for their competence, availability and collaboration that have allowed me to improve my work on every occasion. Thanks a lot.
