To whom it may concern. I have excellent experience with WSEAS. They do care about the quality of the work published and they have really a good system of peer-review. They follow high standards of scholarly publishing and they check very carefully the plagiarism and the self-plagiarism. I am proud that my paper after rigorous peer-review has been accepted in WSEAS Transactions on Mathematics. I will continue sending papers to WSEAS. I trust them and I trust their peer review. I really thank the WSEAS Transactions Associate Editor for her great patience and also thank the reviewers for the many detailed comments on my manuscript.
