Academic Email: [rashad.abdelhafez@science.au.edu.eg](mailto:rashad.abdelhafez@science.au.edu.eg)

I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper: On the determination of ruled and developable surfaces in Euclidean 3-space  $E^3$  with Authors: Rashad A. Abdel-Bakya, Fatemah Mofarreh

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from, at least, 3 reviewers that were experts, specialists in the area of my paper.

I declare, confirm, certify and sign that WSEAS has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin.

I also declare, confirm, certify and sign that also that no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal.

I also declare, confirm, certify and sign that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the WSEAS to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

Please, write additional comments below (take ideas from:

<http://wseas.org/main/author-testimonials.html> )

*I am glad that I published one of my good papers in WSEAS transactions. The title of my paper is "On the determination of ruled and developable surfaces in Euclidean 3-space  $E^3$ " and has been accepted in WSEAS Transactions on Mathematics. I made the significant improvements that the reviewers proposed on the paper in order to submit the final version for the WSEAS Transactions on Mathematic. It goes through the peer's review with no publication fee. I am glad that the paper will be published in this journal soon and I thank the Editor-in-Chief, Associate Editor and the team of 3 reviewers"*
