I certify that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from 5 Reviewers and the Assistant Editor of the WSEAS Journal: “WSEAS Trans. on Power Systems” for my paper: “Fuzzy Controller Applied on Embedded Systems: An Interesting Didactic Case Study”

I received 5 reviews for this paper. The reviews were really deep and allowed me to improve my knowledge and to clarify important points of my research. I would like to thank all 5 reviewers for their contributions. I hope that our efforts will further increase the rating of these publications, and readers will find only high-quality scientific material in them.

New: Added for the authors that will send their final/revised version after May 7, 2020:

Also, I declare also that no reviewer, no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat, nobody whatsoever and never forced me in WSEAS Journals to add references / citations to any previous WSEAS Publications or any other publications
