I received many comments from 7 reviewers that helped me to improve my paper significantly. Really, after my revision taking into account Reviewer's comments, I see, that my paper became better and more strong. Thanks a lot to dear Reviewers!

In WSEAS Journals, the Editors, the Associate Editors respond to your emails and questions, report the results of the peer review process by at least 3 reviewers in time and send you these valuable comments. One always feels from the WSEAS Transactions team, especially from the editor and assistant editor, a collegial, academic attitude along with high professionalism, rigorous peer review by many reviewers and objectivity.

I'm more than eager to continue working with WSEAS Journals and their conferences in the future. Thank you for your cooperation!
