I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper: "Modeling of the Human Needs: an Economic Interpretation of Maslow's Theory of Motivation" with Authors: only me Diana Genkova

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from **Three (3)** reviewers that were experts, specialists in the area of my paper.

I declare, confirm, certify and sign that WSEAS has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin.

I also declare, confirm, certify and sign that no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal.

I also declare, confirm, certify and sign that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc. have been done and I authorize the WSEAS to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

I am impressed by WSEAS Journals' professionalism and efficiency regarding the review and publication of scientific articles. When I submitted an article in the field of socio-economic modeling, the editor regularly updated me on the status of my submission and responded in a timely manner to my questions. The feedback is shared by 3 reviewers, whose comments are both helpful and reasonable, helping me to improve the manner to show the novelty in my publication. I highly recommend WSEAS Transactions on Business and Economics to all academics interested in publishing their work.
